The United States Team Penning Association (USTPA) offers a scholarship program for members who are graduating high school seniors continuing their education at accredited colleges.

Scholarship Description

Scholarships range from \$500 to \$2,000 and are distributed in two stipends (one per semester). In addition, the USTPA is especially concerned scholarship recipients have displayed a sincere interest in the penning and sorting sports and have a history of good sportsmanship and horsemanship. The ideal scholarship candidate would be a graduating High School senior, or current college student with a passion for penning and sorting who has displayed leadership skills as a volunteer within their USTPA region and possesses the attributes of being a good student, horseperson and role model for younger youth.
